

Addendum No. 2 to IFB 15-41

CITY OF SOMERVILLE, MASSACHUSETTS
Department of Purchasing
JOSEPH A. CURTATONE
MAYOR

To: All Parties on Record with the City of Somerville as Holding IFB 15-41,
Portable Studio System

From: Angela M. Allen, Purchasing Director

Date: November 20th, 2014

Re: Answer questions, update item list, adjust Rule for Award

Addendum No. 2 to IFB 15-41

Please acknowledge receipt of this Addendum by signing below and including this form in your proposal package. Failure to do so may subject the proposer to disqualification.

1. Questions and Answers

The following questions are all in regard to the Custom Camera Cables

- 1) Are D-Sub and BNC the only connector types?
No – the Communications Department believes there are Y/C connectors
- 2) Length of finished cable?
One cable will be 50 feet long, two other cables will be 100 feet long.
- 3) Number of break-outs?
One for each end of each cable must be twist lock connectors at end to interface to cable.
- 4) Length of each break-out?
3' at camera, 15' at control room

Addendum No. 2 to IFB 15-41

5) Do you have a Pin-Out?

Yes

6) Do you have a drawing?

No

As part of your proposal, please send your specific details of the cables you plan to build. We want to make sure they will work properly.

2. Item List

The requested item list has been changed. The new item list includes the item change from Addendum #1 (Tricaster 410 and 3Play 425) and includes a second option (Tricaster 410 LA and 3Play 425). See the attached price proposal page (Attachment 1) with updated item list. Please include the attached price proposal page as part of your bid. The item list and price sheet attached herein supersedes all others.

3. Rule for Award

The Rule for Award has changed with the addition of the Tricaster 410 LA and 3Play 425 option. The new Rule for Award is as follows:

SECTION 3.0 RULE FOR AWARD

One contract shall be awarded to the responsible and responsive bidder submitting the lowest total price. The lowest total price will be determined by adding the lowest single unit price in Group A to the total of all items in Group B. The contract will be awarded within ninety (90) days after the bid opening. The time for award may be extended for up to 45 additional days by mutual agreement between the City and the apparent lowest responsive and responsible bidder.

Attachment 1
Addendum No. 2 to IFB 15-41

Que-Com	1	PK-7	Intercom System Power Source		
Que-Com	4	SMQ-1	Headsets – single muff		
UMS	1	UMS-CC50*	Custom Camera Cable – 50ft (includes break-out cables, power, and intercom)		
UMS	2	UMS-C100**	Custom Camera Cable – 50ft (includes break-out cables, power, and intercom)		
UMS	1	UMS-RC02***	Custom Portable Studio System (fully assembled with owner supplied equipment)		

NOTES:

* & ** - Custom Camera Cables are multiple conductor cables with separate break-out cables on each end that disconnect via twist lock connectors. Cables contain power, intercom, audio, video (HD-SDI), tally and video return feeds. Tally connectors at the camera are DB-9, video is BNC. Must interface between Tricaster and JVC cameras.

*** - Custom Portable Studio System is a roll around case designed to house the video switcher, recorder, control surface and video monitor all housed in a ruggedized case suitable for transport. Rear of unit has separate panel with chassis mount connectors for cameras. Front of unit is removable and becomes a side table with fold out legs. Lid of unit opens to show control surface and video monitor.
